My First Encyclopedia

Synopsis

Meant for children aged 5 and up, My First Encyclopedia will pique kids' curiosity and stimulate their intellectual development. Stunning photographs, facts, games, and puzzles will capture children's attention and make reading fun. Clear and comprehensive content helps develop educational skills and broaden a child's knowledge. Additionally, helpful parents' notes are included to encourage an interactive learning experience between caregiver and child. With My First Encyclopedia, children will build knowledge and vocabulary that will stimulate their mind and aid their development.

Customer Reviews

Not as detailed as I thought it would be, but works for now. My 5 year old is homeschooled between first and third grade. This will last us a couple of years I predict. The bright colors and easy to read features are well worth it.

My son loves it!

Niece enjoyed the simple & pictures. Great for beginners to learn.

This is a great book! My son loves looking at all the wonderful pictures! The facts are interesting, and easy to read. Really good book for my year old son.

Good first reference book for youngsters, well illustrated.

bought for two-year old's birthday, I love this book. it is great to read together, or they can explore on their own.

Excellent book for my grandchildren. They love it.

Great condition! My children loved the book!
