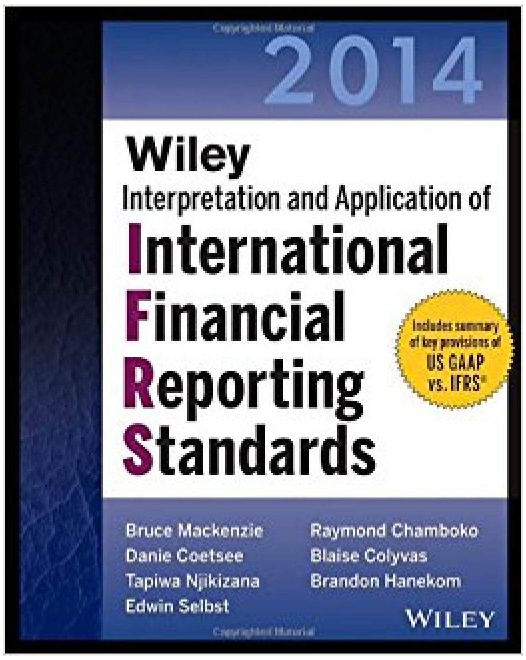
Wiley IFRS 2014: Interpretation And Application Of International Financial Reporting Standards (Wiley Regulatory Reporting)



Synopsis

Your one-stop resource for understanding current International Financial Reporting Standards As the International Accounting Standards Board (IASB) continues towards its goal of a set of high-quality financial reporting standards, and makes significant strides in achieving global convergence of accounting standards worldwide, International Financial Reporting Standards (IFRS) continue to be important to the accounting world. Wiley IFRS 2014 provides the necessary tools for understanding the IASB standards and offers practical guidance and expertise on how to use and implement them.

Book Information

Series: Wiley Regulatory Reporting
Paperback: 1055 pages
Publisher: Wiley; 11 edition (March 10, 2014)
Language: English
ISBN-10: 1118734092
ISBN-13: 978-1118734094
Product Dimensions: 7.4 x 2 x 9.3 inches
Shipping Weight: 3 pounds (View shipping rates and policies)
Average Customer Review: 4.5 out of 5 stars 2 customer reviews
Best Sellers Rank: #1,876,711 in Books (See Top 100 in Books) #81 inÂ Books > Business & Money > Accounting > Standards #2951 inÂ Books > Textbooks > Business & Finance > Accounting

Customer Reviews

Your one indispensable guide to IFRS compliance International Financial Reporting Standards (IFRS) have received increased attention since such signal events as endorsements by the International Organization of Securities Commissions (IOSCO) in 2000, by the European Union in 2002 (mandating universal adoption by publicly held companies in 2005), and by the SEC (waiving reconciliation requirements for foreign private issuers using IFRS starting in 2007). With further refinements to IFRS by the International Accounting Standards Board (IASB) resulting in changes on a yearly basis, and given the now virtually unstoppable momentum worldwide to adopt (or, in some cases, adapt) IFRS, mastery of this knowledge is a necessity for all preparers of financial statements. Wiley IFRS 2014 provides a complete and up-to-date explanation of all IFRS requirements, coupled with examples of how to apply the rules in complex, real-world situations. It can be used to train accounting staff, and to serve as a reference guide during the implementation of IFRS and preparation of IFRS-based financial statements. Wiley IFRS 2014 is equally valuable for preparers, auditors, and users of financial reports. Key concepts are illustrated throughout, using worked examples and selections from actual published financial statements. Also included are a comprehensive disclosure checklist and integrated discussions of major ongoing IASB projects that may have significant impact on readers' responsibilities over the coming year.

BRUCE MACKENZIE, CA (SA), FCCA RA, JSE Registered IFRSÂ® Advisor, is a member of the IASB Advisory Council and the IASB SME Implementation Group (SMEIG) and a director of W Consulting (www.wconsulting.co.za), a global IFRSÂ® consulting and training company.
