Synopsis

A Treasure Worth Seeking: After years of searching for the brother she'd never known, Erin O'Shea had finally found his San Francisco address. But she was unaware that she was about to walk into a shocking drama of family lies - and to meet an intriguing, infuriating man who would change her life. Lance was a G-man who never dreamed that his feelings would drive him to break every rule in the book - and put his career and even Erin's future on the line. **Shadows of Yesterday:** Leigh Bransom had lost her husband eight months before when he was tragically killed on the job. Now a fateful meeting on a lonesome highway brought a new man into her life - one with secrets and the power to make her lonely once again. Chad Dillon was determined to make Leigh care for him, but there were no guarantees that his love could protect her from the very thing she feared most. **Prime Time:** More than anything else, cable TV reporter Andrea Malone wanted a network job. And it could be hers if she gained a coveted interview with the aging General Ratiff. One obstacle was Lyon Ratiff, the general's watchdog of a son. Andrea had a plan, but had no way of knowing she would have to choose between the ruthless demands of her profession and the equally strong dictates of the heart.

When you are doing mindless typing and have the ability to listen to audio books for something uplifting and entertaining this collection has just that. In most cases after I have read a borrowed book from my best friend or the public library I am finding that I will also purchase the unabridged audio book. This works great when you can not sleep at night. For the people who enjoy detailed writing, a multitude of characters and just a great emotional roller coaster, well Sandra Brown's romance collection has everything. Thank you for keeping me entertained. An avid fan of excellent "Romance Stories"

Sandra Brown's stories are the best and I have loved every one.
