Customer Reviews

Just glanced at it. Have not had a chance to read it.

Pretty good book

Well written and Good information.

Being new to Nuno Felting , I found this book to be good starter information. Easy to read and understand the techniques.

Another wonderful book to add to my collection and for me to learn more about Nuno Felting. I get inspired.

This read like a textbook from your freshmen year of college. Very few pictures and used acronyms

and abbreviations that I didn't understand?! Why not just use words. NOT worth ten bucks.
