Age Range: 12 - 13 years

Grade Level: 7 - 8

## Customer Reviews

Buyer beware. The workbook does not come with an answer key which is a major fail on the part of the publisher. As much as I might need to practice my pre algebra skills, I bought this book for my 7th grader. There is also no space in the workbook to answer the questions. I can see how the workbook might be useful for a teacher during the academic year but not useful for summer work.

Good copy. Good service

arrived on time and item was as described

Great for students who need some extra practice now and then.

Good one

No Answer Key? What is the point of practice with no answers?

The Practice and Problem Solving workbook did not provide any answers. Therefore, it unfortunately did not meet my expectations or my needs.
