Grieving The Child I Never Knew: A Devotional For Comfort In The Loss Of Your Unborn Or Newly Born Child

Synopsis

Warm, encouraging and truly helpful for anyone experiencing the terrible loss of a baby. When the anticipation of your child's birth turns into the grief of miscarriage, tubal pregnancy, stillbirth, or early infant death, no words on earth can ease your loss. But there is strength and encouragement in the wisdom of others who have been there and found that God's comfort is real. Having experienced three miscarriages and the death of an infant son, Kathe Wunnenberg knows the deep anguish of losing a child. *Grieving the Child I Never Knew* was born from her personal journey through sorrow. It is a wise and tender companion for mothers whose hearts have been broken—mothers whose dreams have been shattered and who wonder how to go on. This devotional collection will help those mothers grieve honestly and well. With seasoned insights and gentle questions, it invites the reader to present her hurts before God, and to receive over time the healing that He alone can—and will—provide. Each devotion includes: Scripture passage and prayerSteps Toward Healing questionsSpace for journalingReadings for holidays and special occasions also included

Best book I've come across for dealing with the pain of miscarriage. One thing I like about it is that you can just read a chapter or two at a time as needed, processing at your own pace. Some of the chapters were also helpful for sharing with my husband. They really helped him to understand what I was experiencing and what I needed.

I've had this book for a while and I could never "make the time" to do it. I made it my Lenten goal. Each day takes 5-10 minutes depending on the topic and how long you want to spend. I am so glad I forced myself to find the time. The topics and questions are thought provoking and help to bring to light feelings I had. It is reassuring to find bible passages that show me Jesus knows what I'm thinking and feeling.

Great resource for the Christian woman that is going through becoming an angel mom. I found great strength in the scripture, and prayers included in this devotional. If you are having a hard time getting closure from your circumstances, buy this devotional and work through it! Your soul will thank you.

This book has been instrumental in aiding me in walking through grieving my son. It also helped me to actually grieve my first miscarriage as well and I have since given that sweet baby a name, as well. I have already recommended this book to other grieving mamas and I have told my husband that he needs f read it now that I am finished with it also. This book was so healing t my heart that I

found myself putting off devotionals so that I wouldn't come to the end! Kathe, THANK YOU for allowing the Lord to use your losses for his glory and for inspiring me to do the same!!

This is the book I wish someone had given me when I suffered my miscarriages. Instead, I now keep a ready supply at home, so I can give them to grieving mothers.

This book help get me through the grief of losing my son at birth.

Very comforting book. I read a little shortly after receiving it, and my wife read more. Nice to read when we start to feel sorrow over the loss of our unborn child.

With all respect to people who believe in good, this book is too "God" about and I personally think that for people like me that don't believe in God is quite annoying. Just my opinion and hoping that if, some is in the same situation like me, don't waste your time and money with this. It does have some sort of good tools but again, is all my personal opinion. If you are seeking the hide of a friend and peace with God, this might be helpful
