## Customer Reviews

Another poster named Maggie posted this answer on another "How to contact ....." book page by a different author. Maggie said "Here is the number to contact . They answered on the second ring and resolved everything. 1-888-280-3321. Oh and it's free to read this review and to call." I think it is ridiculous that people are actually willing to pay for a book about this subject in this day and age of

"google it".

It is really outrageous to be expected to have to BUY a book just to access customer service. Is there no limit to GREED?

Great book, helped me get a problem solved immediately

Worked smooth as a whistle! Good purchase! Saved time and irritation! Tanks!

Is this a joke?!?!? I have spent 45 min on here looking for a number for customer service before my product ship!!! WTH Why doesnt have a number for its customers to use. Edwin Rogers should be fired. PLEASE POST A NUMBER!!!!!!!

Are you kidding me??? We shouldn't have to buy a book to contact customer service to get help with orders, cancelling memberships or anything! CUSTOMER SERVICE SHOULD BE A #1 PRIORITY TO KEEP YOUR CUSTOMERS HAPPY! Don't make it so difficult for us to get a real person to help us!

You have got to be kidding me....what are you people thinking?????I have never heard of anything so ridiculous. If this is truly how you are going to treat loyal customers, then I will stop shopping with

THANKS FOR THE HELP !
