Winning Matters

Synopsis

Sean Fitzpatrick played for the best rugby team on the planet, the All Blacks. His aggressive, uncompromising approach made him one of the greatest players ever. Ruthless, devious and compelling to watch, he was a one-man wrecking machine. He was also an inspirational leader. Between 1986 and 1997, he played 128 matches for the All Blacks, 92 of those test matches, and a record 51 as captain. In his long and illustrious international rugby career, Fitzpatrick set the benchmark for excellence. *Winning Matters* is a fascinating insight into the mind of a legend. In a candid, conversational tone, Fitzpatrick reflects on the key moments and meetings of his life, identifying everyday values, beliefs and principles that have driven him, both on and off the pitch. Part autobiography, part self-help, part business how-to, *Winning Matters* offers the reader an understanding of what makes Fitzpatrick tick his strategies for success in all aspects of life, and how we can all learn from them. It is an easy but inspirational guide to being the best we can be.

Good read for all rugby fans

Thank you, Fitz, for just a wonderful and practical outlook to the lessons you've learnt throughout your life. Coming from a die hard Bok fan, it was thoroughly engrossing and intriguing getting an inside look into the awesome passion and drive of the All Black culture. We have a lot in common! Your ideas to learn from were true gems and I spent much of the read highlighting excerpts and pages! This will certainly be on my highly recommended list!

Very interesting and refreshing. Like that it is so positive and encouraging....A great read for motivating and whipping up enthusiasm. Besides, Sean P was a great AB captain for years. Made us all so proud in NZ.

I was looking for a more informative book about Sean's rugby career. The book read easily and reaffirmed a lot of the personal values that I have built up over my career.

Inspiring and very well written.

Interesting and inspiring in parts.

I loved Sean as a player, and as an American playing hooker in rugby I modeled much of his style as I could. As a leader of an organization that is considered on top of its game it is good to continue to learn valuable lessons from him once again. Thanks Sean!

Not really what I expected from Fitzy but not too bad to read. I miss more anecdotes and rugby stories.
