### **Recommended**

I would highly recommend that anyone read this book. This is the 5th book of his I've read, and I'll keep reading until I've read all of his books.

Rich Dad's Retire Young Retire Rich is just what you would expect from Robert Kiyosaki. Very informative, easy to comprehend and gives the reader great knowledgeable information, keeps you interested and full of enthusiasm.

Retiring to what I want to do.

It is more of a motivational type instead of informational type of book. I was looking for more of a informational type book.

Excellent book on developing the business owner and investors mindset. Great for understanding the use and value of leverage, and learn how to expand your reality.

I wish I read it earlier in life, I also plan to follow every steps
