Le Cordon Bleu Wine Essentials: Professional Secrets To Buying, Storing, Serving, And Drinking Wine

Synopsis

From one of the world's leading cooking schools, expert advice on buying, storing, serving, and selling wine for the everyday wine lover Le Cordon Bleu Wine Essentials lets the everyday wine lover become a true wine connoisseur. Shedding light on a world as fascinating for its science and history as it is for its intricate etiquette, this guide unfolds the entire art and craft of wine in a beautifully designed and illustrated volume. With contributions from the world's leading wine makers, sommeliers, and wine professionals, Le Cordon Bleu Wine Essentials provides commonsense advice on the everyday world of wine;from selecting, buying, and storing wine, to guidelines for tasting, appraising, ordering, and serving all varieties. The book also includes a behind-the-scenes look at winemaking, building a well-balanced wine collection, and practical advice on investing in wine.

Customer Reviews

"Wine Essentials is a glossily informative book which would look good on the bookshelf of anyone new to the world of wine". (Decanter, 1 October 2001)

This book is set up in two page formats so that you can find exactly what you need to know immediately. Then you can go right to it, and get the information you need. Obviously this book was written by experts at the Le Cordon Bleu. To make this book more interesting, throughout the book there are two pages every two pages that are concerned with food pairing and wine. Then the other

two pages throughout the book that are in between are concerned with such things as storing, buying, presenting at meals, temperatures, uncorking, etc. Every two pages covers a topic, and quite thoroughly. Owen

I have a number of books on wine. None are complete but this comes close. It is a resource that I keep handy and refer to often. It does not try to be encyclopedic in this coverage but it does cover all the major points that will help you enjoy wines and understand more about order, serving and complementing wines with food. Highly recommend.

It is an excellent book. Easy to read with wonderful information, graphics and pictures. Highly recommended for the wine enthusiast

It's a good guide for harmonization. It's Ok !!!
