Crossover Spy

Synopsis

In this book, Buck Roberts seeks to achieve a change of pace in the international spy novel genre. He would like to turn things around and have the requisite studs, many of whom are in the service of their country, pursuing ever hotter studs to accomplish the covert agendas set out for them. This will require them to be liberal in extending their sexual favors in pursuit of their quarry. While Buck celebrates the relationships of committed couples in this book, he allows these prime examples of beef cake to enjoy unconstrained lust for other men, particularly in the line of duty. Many of these humps, former skirt-chasers, demonstrate a natural talent for man on man sex.

Customer Reviews

I thought I was downloading a spy novel with a gay twist to it. Instead I downloaded a script for a seriously hard core gay porn movie. Not what I was looking for at all. Setting that aside, really badly written, no real plot and sometimes it literally read like a script, such as "so and so exits the living room." Really?
