Old Landmarks And Historic Personages Of Boston

Synopsis

Boast, Harry, that you are a true-born child, and that you are a true Bostonian. Colonel Jackson to General Knox in 1777. MOEE perhaps than the natives of any American city Bostonians have the feeling of inhabitiveness and adhesiveness abnormally developed. In whatever part of the world you may meet with him you can tell a Bostonian a mile off. But aside from the peculiar charm surrounding ones birthplace, common to all men, the Bostonian knows that his own is pre-eminently the historic city of America, and he feels that no small part of its world-wide renown has descended to him as his peculiar inheritance. That is all very well. But it is one thing to be proud of our history and to boast of it on all occasions, and quite another to remain indifferent to the threatened spoliation of what we lay claim to as our inalienable inheritance, our birthright. I mean the really historic buildings of Boston and what they stand for. This book is my appeal to the historical conscience. It is only at the price of perpetual vigilance that a few of these old edifices, known throughout the whole world, remain on their foundations at this hour. (Typographical errors above are due to OCR software and don't occur in the book.)

Shipping Weight: 1 pounds

Average Customer Review: 1.0 out of 5 stars 1 customer review

Best Sellers Rank: #1,115,832 in Books (See Top 100 in Books) #113 in Books > Travel > United States > Massachusetts > Boston #846 in Books > Travel > United States > Northeast > New England #49271 in Books > History > Americas > United States

Customer Reviews

Full disclosure, I am basing this review on a preview of the Kindle ebook. The pages were filled with errors, looks like this is a scan from older pages run through an OCR process but no one took the time to actually edit the outcome. Many instances of what should be a "hi" being rendered as "lii", etc. If it had been just a few errors I would have purchased it as \$0.99 is a very good price but I would have gone batty trying to figure out the mistranslated words.
