# The Olympic Peninsula: The Grace And Grandeur

## Synopsis

The Olympic Peninsula, located within easy proximity to several metropolitan areas including Seattle, Tacoma, Vancouver, and Portland, attracts more than three million visitors each year. It is one of the most diverse regions in the country with spectacular mountains, rugged coastlines, and verdant rain forests. Join writer and photographer Mike Sedam as he circles the peninsula on historic Highway 101, taking time to visit scenic coastal villages, to watch a sunset from Rialto beach, spot a humpback whale, and to photograph the towering sandstone islands known as sea stacks. Then, head inland to the heart of the peninsula and Olympic National Park, famous for graceful waterfalls, breathtaking glaciers, old-growth rain forest, and an abundance of wildlife. This is the Olympic Peninsula in all its splendor and magnificence--in all its grace and grandeur.

## Book Information

Series: Pictorial Discovery Guide

Hardcover: 144 pages

Publisher: Voyageur Press; Enlarged ed. edition (November 8, 2002)

Language: English

ISBN-10: 0896584585

ISBN-13: 978-0896584587

Product Dimensions: 8.5 x 0.8 x 11 inches

Shipping Weight: 2.2 pounds

Average Customer Review: 5.0 out of 5 stars 3 customer reviews

## Customer Reviews

"At first glance, this looks like any other picture book on Washington's magical Olympic Peninsula....But wait....Mike Sedam moves to show how people live in one of the country's most awesome corners" --This text refers to an out of print or unavailable edition of this title.

Yes five stars. This is a beautiful book that really encompasses an unusual place. The final wilderness with a unique history is presented with visuals and captures more than I can rattle off on in brief conversation. The book makes for a lovely gift and is one I eagerly recommend to everybody. Whether you are a Louis and Clark type or just a Clark Griswold type like me, don't miss

out on this one.

thank you. excellent book and timing

Book is perfect
