## Customer Reviews

The colors are vivid enough and road layouts are well done. When a GPS doesn't help for a long trip view, this county map helps make that straight line on reasonable roads. The pages are big enough where I can print a landmark like a store or house locations. Very pleased with Hagstrom maps!

I bought this new edition because the older one was wearing out, and I cannot do without it. I have annotated it with diners, gas stations, etc., all over. The print is clear and just right. It's easy to find convenient NJT stops, too.
