Yes, I have the album and needed music for a couple of the songs. Her albums and sheet music are always excellent. I got the book very quickly from seller and appreciated that.

Just what I hoped for!

Barbra gathered some important spiritual tunes and that what she got : a highly spiritual work, I play EZ keyboard but I sing a little, so I have enjoyed singing those tunes, I don't do it like her but who is measuring when you do from your heart? and this book was produced heart to heart...metzuyan!!!
