Customer Reviews

This small supplement is perfect for bringing the mystery of the Gods and sacred places into your Myfarog game. It's short and to the point filled with the typical folk wisdom quotes. This book expands upon the idea of the of legionnaires and high level play as well. If this was from any other gaming company it would've been bloated with pointless talk and ugly art and you would be charged \$49.99. Save yourself the trouble and go the OSR way get Myfarog!

amazing addition to MYFAROG.

Bought this book second hand. It is short and very disappointing. Not worth the purchase price, unfortunately.
