## Customer Reviews

This valuable resource provides chapter summaries and reading comprehension questions written at the 6-7 grade level. 2 page study guide for every section of the Textbook Reading support Vocabulary Support Chapter Reviews Glossary for Every Chapter

It's probably written for young teenagers, and has more illustrations than needed. The text is very clear, and complex situations are explained with a few bullets that are easy to remember. It also asks the students smart questions that help them think about the subject matter. I'm getting a lot of value out of this book.

Excellent book for 10th grade World History.

Book was in great condition.

Worked good
