Generation One

Synopsis

The first book in a pulse-pounding new series that's set in the world of the New York Times best-selling I Am Number Four series. The war may be over - but for the next generation, the battle has just begun! It has been over a year since the invasion of Earth was thwarted in Pittacus Lore's United as One. But in order to win, our alien allies known as the Garde unleashed their Loric energy that spread throughout the globe. Now human teenagers have begun to develop incredible powers of their own, known as Legacies. To help these incredible and potentially dangerous individuals - and put the world at ease - the Garde have created an academy where they can train this new generation to control their powers and hopefully one day help mankind. But not everyone thinks that's the best use of their talents. And the teens may need to use their Legacies sooner than they ever imagined. Perfect for fans of Marvel's X-Men and Rick Yancey's The 5th Wave, this epic new series follows a diverse cast of teens as they struggle to hone their abilities and decide what, if anything, they should do with them. This is a spin-off of the best-selling I Am Number Four series, and those familiar with the original books and newcomers alike will devour this fast-paced, action-packed sci-fi adventure.

Customer Reviews

I got this for my husband. He likes Pittacus Lore's writings. He's reading it right now. Although he wonders if he missed something.

The book is not as captivating as the original. I found it boring unlike I Am Number Four.

So glad to see the series is continuing!

Love this series. This one does not disappoint!

I bought this for my thirteen year old boy who loved the first (Lorien Legacy) series and now can't wait for the next book of this series, it was just as captivating as the first series.

Absolutely amazing. It was a little weird getting used to the new characters, but the cameos help normalize it. Can't wait for the next book!

Exciting continuation of the Lorien series. I am looking forward to the next book in this series to come out.

I really like the new story line. Can't wait to read more. Hopefully Five returns in the next book. The backgrounds of each character was perfect.
