Turtles All The Way Down (Signed Edition)

Synopsis

This is a signed edition. Limited quantities available. #1 bestselling author John Green returns with his first new novel since *The Fault in Our Stars*! Sixteen-year-old Aza never intended to pursue the mystery of fugitive billionaire Russell Pickett, but there's a hundred thousand dollar reward at stake and her Best and Most Fearless Friend, Daisy, is eager to investigate. So together, they navigate the short distance and broad divides that separate them from Russell Pickett's son, Davis. A Aza is trying. She is trying to be a good daughter, a good friend, a good student, and maybe even a good detective, while also living within the ever-tightening spiral of her own thoughts. In his long-awaited return, John Green, the acclaimed, award-winning author of *Looking for Alaska* and *The Fault in Our Stars*, shares Aza's story with shattering, unflinching clarity in this brilliant novel of love, resilience, and the power of lifelong friendship.

CRITICAL ACCLAIM FOR THE FAULT IN OUR STARS "Damn near genius . . . The Fault in Our Stars is a love story, one of the most genuine and moving ones in recent American fiction, but it's also an existential tragedy of tremendous intelligence and courage and sadness." --Lev Grossman,

TIME Magazine "This is a book that breaks your heart--not by wearing it down, but by making it bigger until it bursts." --The Atlantic "Remarkable . . . A pitch-perfect, elegiac comedy." --USA Today "[Green's] voice is so compulsively readable that it defies categorization. You will be thankful for the little infinity you spend inside this book." --NPR.org "John Green deftly mixes the profound and the quotidian in this tough, touching valentine to the human spirit." --The Washington Post "[Green] shows us true love--two teenagers helping and accepting each other through the most humiliating physical and emotional ordeals--and it is far more romantic than any sunset on the beach." --New York Times Book Review --This text refers to the Audio CD edition.
