Customer Reviews

If you are an old time Astro, Colt 45 fan this is a joy to read. It is simple but well done and brings back many memories of our past wonderful experiences and highlights some great baseball moments. A must have.

It's a short story, but then again there's not a huge amount to write about for the Astros! Just joking- my family are big Astros fan so it's always fun to find something about them that they haven't discovered themselves!

Interesting facts, nice pics but not what I was expecting. I would recommend this for kids, not for adults readers.
