CPC Practice Exam 2017: Includes 150 Practice Questions, Answers With Full Rationale, Exam Study Guide And The Official Proctor-to-examinee Instructions

Synopsis

150 question CPC practice exam designed to mirror the actual AAPC CPC exam. This practice exam has the same basic structure and category divisions with questions very similar to those found on the real exam. The answer to each question also includes a detailed rationale. Updated for 2017 Will definitely help you pass the CPC exam issued by the AAPC, and is also helpful if you are taking the CCS exam by AHIMA. Don't let your dream of becoming a Certified Professional Coder pass you by! The medical billing and coding exam is not easy to pass, and this book will help you feel less intimidated when taking the test - you will feel like you've already taken it. Background: I took medical terminology class and anatomy, medical and billing courses. This book helped me prepare for my cpc exam I just took yesterday. Answer key contained explanation and reasoning that helped me understand the material. I went through the whole book and reviewed my

errors. Timed myself again to take it a second time. I will update my status after I get my exam results.

great, needed this book

Great book hope it helps with the exam

Good study guide

Excellent!

Was more than expected

This is an awesome little jewel! Haven't finished studying yet... but I've heard great things about this

Very informational. This was a big help.
