Customer Reviews

Many thanks to Mr. Fillmore for this excellent work.

A definite must read for those that long and thirst for knowledge!!!!!!!

The book is in excellent condition. it was shipped and received on time. I have purchased a number of books and this ranks with the best. I use the samereview (to save time) unless there is a reason to change because of circumstances. I am happy with the service.

I enjoy this book tremendously. It will be helpful throughout my lifetime. It shows you that there is a different aspect to what is presented on a mundane level to you in religion; as literal people, places and things.

The Metaphysical Bible Dictionary has been a great resource. When I am writing speeches and need the true meaning of a bible verse. I need the dynamics of the time and culture as well as the meaning of the words used at that time.

Great to help guide you through metaphysical language used in the bible

For those into metaphysics, indispensable. For those not' eye-opening.

Excellent resource for Bible study for metaphoric and metaphysical interpretations.
