My mom loves this and was so surprised when I gave it to her. She is a crossword fanatic and this made life for her so much easier. Thank you!

Everyone loves doing puzzles so here's the perfect dictionary for finding those hard words that escape your mind. I found every word I needed find to complete a puzzle. Highly recommended. ..

The dictionary arrived in a timely manner as promised and it was in near new condition for being advertised as used. It's better than an old one, from 20 years ago, that I was using with more up-to-date entries that I was lacking before. I'm very satisfied.

I was looking for a later edition of this book. I have the same edition and it came unglued and fell apart. This book looks as it may come unglued any day now.

1. I'm disappointed in the completeness of the vocabulary. 2. very little help in cross word work. 3. It is not as complete as my 10 year old dictionary.

Webster's New American Crossword Puzzle Dictionary is great. It has a lot more synonyms than other puzzle dictionaries. I have been using the paperback copies for years and got tired of them coming apart so I decided to get the hardback copy. Well, the hardback copy doesn't last as long as the paperback ones. It split in two without a lot of usage. Hardback binding just isn't like it used to be--it's meant to come apart too.
