Customer Reviews

Writer and art director Bella Stander is publisher of Bella Terra Publishing. A former contributing editor to Publishers Weekly, her book reviews and interviews have appeared in such publications as The Washington Post, The Wall Street Journal, Entertainment Weekly and WildRiverReview.com. She is also the proprietor of Book Promotion 101 and a consultant to the Virginia Festival of the Book.

Very informative and compact.

We were trying to decide whether to go to the Northeast US to visit lighthouses or to the Northwest US. This map was perfect to help us decide, as it shows exactly where the lighthouses are, how to find them, best places to view them, and what some of them look like. It was exactly what we needed.

It was exactly what I was looking for and could not find in a book store!

Northwest Lighthouses is a dandy little book at terrific price. I was a little disappointed it did not include Tanglewood Lighthouse on Fox Island, Washington. Would recommend this book for lighthouse lovers.

This illustrated map and guide is the perfect accompaniment to The DeWire guide to Lighthouses of the Pacific Coast: California, Oregon and Washington.
