Devil's Claim: Apaches MC

Synopsis

I WON'T STOP UNTIL I GET WHAT'S MINE I'm a monster who likes it rough. She's soft, pure, and innocent. But that didn't stop me from claiming her. And once I had her in my arms, I'm never letting her go. I was busy running a war for my club, the Apaches MC. She thought we left her friend bloodied and bruised. I'd never thought I'd ever be challenged by someone like her. So innocent. So pure. So unaware of the danger she's in when she stepped into my world. She doesn't know it yet. But I'm everything she didn't know she wanted. Everything she never realized she craves. She chose to put herself in the devil's cage. And now the devil is laying his claim. I'm going to break her walls. I'm going to take what I want. And I won't stop until she's mine. Devil's Claim is a full-length, standalone romance novel with steamy hot sex, NO CHEATING, strong language, a happily ever after ending and NO CLIFFHANGERS. Contains dark and disturbing themes, and over the top sexiness that may be uncomfortable for some readers.

Customer Reviews

Great read.Highly recommend it if your into MC

loved it

I give this book 4-1/2 Stars. I volunteered to review an advance copy of this book. Needless to say I haven't slept much in the last couple days because I just couldn't put this book down. The storyline starts with Sierra whose friend has been beat up and left for dead by someone who is thought to be a rival MC Club of her brothers. Tank, the President of the rival club comes to the hospital to dispute his gang had anything to do with the hit. Sierra and Tank are immediately attracted to each other and start the ride of their life. Not only is this book hot and steamy it is very suspenseful. I don't want to give anything away so I'll just say there are many twists and turns you will not suspect that will keep you on your toes. Claire, great job writing this book. This book will no doubt make the top 10 and will probably be number 1.

Tank's the ruthless leader of the Apache's MC gang and Sierra is a college student who also happens to be the daughter of a legacy from the rival MC gang the Aztecs...they meet after Sierra's bff Carmen is brutally attacked. Sierra and the rest of the Aztec's are determine that the Apaches were behind the attack and seek revenge. When Tank and Sierra's chemistry is beyond hot when they meet, but unfortunately they're forbidden to act upon it! This is a must read to find out if their forbidden love can survive the deceit, tragedy and all the drama involved in finding out who really attacked Carmen and from being in rival gangs!

I received a free copy of this book to review. This was a good book, it was well written. I liked the story line. First there is Sierra a college student who is not a club girl but has legacy ties to the Aztecs, her father was a founding member. Then you have Tank the president of the MC club the Apaches. She hates him thinking he's responsible for hurting her friend . He's on a mission to find out who did it in the process they come together and the chemistry is undeniable . They try to avoid it but they can't . In the end they break all the rules and go against all the and fall in love. I would recommend this book if you're into hot sex and action.

Love Claire ST. Rose's books! This was an amazing story about Sierra and Tank. Sierra was friends with the Aztec MC. Tank was with the Apache MC, Some one attacked Sierra's friend Carmen and left her to die. They are also trying to frame Tank for the attack. Sierra wants to believe Tank, but

Carmen is convinced that he was behind it. This book will keep you reading with all the twists and turns. Will Sierra and Tank ever be together? Will she lose her best friend Carmen if she goes with Tank? You will have to read this amazing book and see. I voluntarily reviewed an ARC of this book.

Tank and Sierra are a couple whose paths crossed due to the destructive nature of one person they shared in common - Abe. Their story is filled with lots of sexy moments along with drama, twists, turns and some uncertainty at times. In the end and after all was said and done, they reach their happily ever after. This was the second book that I've read by Claire St. Rose. I'm looking forward to reading more of her books in the future. Happy Reading!! voluntarily received an ARC for an honest review.

This is an MC book about sort of enemies turned lovers. Tank and Sierra meet during an tragic event involving her friend but its the instant attraction and chemistry thing they have that sets this book into motion. Hot, steamy, sexy, some action and suspense and yes you have another good book by Claire in the MC world. Definitely worth a read!! volunteered to read ARC for my honest opinion.
