Customer Reviews

I buy one of these maps for every city I visit. I bought the London one first and found an incredible price on a hotel right in the middle of everything because of it. These maps always have the highlights of each city that you may not find in tour books. Restaurants, hotels, shops, and other attractions are listed and it is easy to figure out what things are within walking distance of one another.

A MUST for first time visitors to vegas. Recommended for use BEFORE you get there. The site seeing and dining guides included on this map make planning a trip much easier.
