## **Customer Reviews**

This was a good story; I like this author and his books. I didn't care much for Alice, not sure why, but something about her bugged me.

No action just like a bunch of school kids druling over a girl. No sense no story. Just a waste of time. Read it and you will agree

Good quick read

Predictable and quite boring. I kept putting this book down. Usually when I start a book, I finish it

within two days. This one I read for 3 weeks

I believe one should have a much higher grasp of the English language before undertaking the task of writing a novel.

Well written and held my attention to the end! Recommended w/o reservation ! Not Long but packed with plenty of Action and- some good Moral perspective! Rare these days!!

A whore is o who're even if she's not charging money for it. The way the girl acted she got what she deserved

Bullets ? Anyone even slightly familiar with firearms knows this... Please check with someone who is knowledgeable about guns.. in the future.
