Annie's is part of the third-generation Muselman family business, founded in 1925 and long known for original craft designs including crochet, knitting, card making, paper crafts, beading, sewing, quilting, and needlework. Annie's books are sold through independent retailers and major chain stores worldwide. They are headquartered in Berne, Indiana.

I have been searching for quilt patterns that are relatively quick and easy to complete. The Jiffy Quick Quilts book provides a lot of possibilities. I bought the book primarily due to the photo on the cover. Love all the colors in that particular quilt. I am trying to get several quilts finished by the first of December so that I can give them as Christmas gifts. There are three patterns in the Jiffy Quick Quilt book that I have selected to make. I would recommend the book for any quilter who needs to make several quilts in a short period of time.

The patterns are easy to follow and make. Some interesting and beautiful quilts.

I'm a little quilt crazy and I enjoy looking for new ideas, which is just what you get in this one.

It's a great book and helped me decide on the pattern to use for my quilt.

Great book for quilters.
