Play The Man Curriculum Kit

Synopsis

Somewhere along the way, our culture lost its definition of manhood, leaving generations of men and men-to-be confused about their roles, responsibilities, relationships, and the reason God made them men. It's into this "no man's land" that New York Times bestselling author Mark Batterson declares his mantra for manhood: play the man. In this inspiring call to something greater, he helps men understand what it means to be a man of God by unveiling seven virtues of manhood. Mark shares inspiring stories of manhood, including the true story of the hero and martyr Polycarp, who first heard the voice from heaven say, "Play the man." Mark couples those stories with practical ideas about how to disciple the next generation of men. This is more than a book; it's a movement of men who will settle for nothing less than fulfilling their highest calling to be the man and the father God has destined them to be. Play the man. Make the man.

This is a great curriculum. Love the book, love the video. Our group had great discussion. Highly recommend!

great curriculum

I have enjoyed (and been challenged by) everything Mark Batterson has ever written and I would put this set right up there at the top. It's a GREAT book, participant guide, and set of 4 video's. I particularly like Mark's video's because they are short (10-15 minutes). If you want to truly launch your son into his destiny, this will help you, We will be using it with our men's group this Fall and are expecting GREAT things.
