Tour De France: The Illustrated History

Synopsis

The biggest bicycle race of all time started as a publicity stunt for a cycling magazine in 1903. Every year since, almost one billion people follow the Tour de France, making it the third most popular sporting event after the Olympics and the World Cup. Often described as the equivalent of running twenty marathons in twenty days, the Tour's popularity in the United States has exploded, thanks largely to the performance of the American cyclist Lance Armstrong, who won his fourth consecutive Tour de France in 2002. *Tour de France: The Illustrated History* is packed with vivid, action-filled photographs and covers every aspect of the race, including: The organizers Technical advances The scandals. Cycling superstars Greg Lemond, Jacques Anquetil, Miguel Indurain, and Lance Armstrong are featured.

Customer Reviews

Lovingly examines the evolution of the Tour ... many large color and b/w photos add to the appeal.

Marguerite Lazell writes for *Cycling Weekly* and *Cycle* sport magazines. She has covered four Tour de Frances, the Olympics, and numerous World Championship and World Cup events.

Small, but exceptionally well constructed and with a great depth of interesting and entertaining

information, this author is truly one of the finest things in life. Whether sitting quietly with a coffee (and she **does** make good coffee) or at a more lively social function, don't be lost for good company. Marguerite Lazell is what you want. If you're not the lucky one, maybe her book will be some consolation to you.
