Rick Steves Snapshot Stockholm

Synopsis

You can count on Rick Steves to tell you what you really need to know when traveling in Stockholm. In this compact guide, Rick Steves covers the essentials of Stockholm, including City Hall, Old Town, and the Vasa Museum, which houses Europe's best-preserved old warship. You'll get Rick's firsthand advice on the best sights, eating, sleeping, and nightlife, and the maps and self-guided tours will ensure you make the most of your experience. More than just reviews and directions, a Rick Steves Snapshot guide is a tour guide in your pocket. Rick Steves Snapshot guides consist of excerpted chapters from Rick Steves European country guidebooks. Snapshot guides are a great choice for travelers visiting a specific city or region, rather than multiple European destinations. These slim guides offer all of Rick's up-to-date advice on what sights are worth your time and money. They include good-value hotel and restaurant recommendations, with no introductory information (such as overall trip planning, when to go, and travel practicalities).

Since 1973, Rick Steves has spent about four months a year exploring Europe. His mission: to empower Americans to have European trips that are fun, affordable, and culturally broadening. Rick produces a best-selling guidebook series, a public television series, and a public radio show, and organizes small-group tours that take over 20,000 travelers to Europe annually. He does all of this with the help of a hardworking, well-traveled staff of 100 at Rick Steves' Europe in Edmonds, Washington, near Seattle. When not on the road, Rick is active in his church and with advocacy

groups focused on economic justice, drug policy reform, and ending hunger. To recharge, Rick plays piano, relaxes at his family cabin in the Cascade Mountains, and spends time with his partner Trish, son Andy, and daughter Jackie. Connect with Rick: facebook.com/RickStevestwitter:

I go to Stockholm 2-3 times per year on business. The content is accurate and the maps are really helpful. Not over or under done for a 2 or 3 day visit, but keep in mind Stockholm has a bunch more to offer beyond this condensed guidebook

Stockholm "Card" no longer exists, which led to MAJOR frustration. Many guidebooks feature a link for the most up to date changes. This would have been a great help. ã ã ã

I usually don't bother buying guides, but I found this one very helpful. It is also light weight and easy to carry.

Everything and more we needed to know for 4 great days in Stockholm.

Lots of useful information about the city itself, relevant sights, and travel considerations.

Would buy again

Fact Intense and very detailed. Gives all sorts of options and the book itself is small enough to carry around with you.

Using it to plan our one day cruise stop in Stockholm & will probably use it while there too. Love Rick Steves guidebooks! He really caters to the "independent" & budget minded travelers.
