Our location in the Wisconsin northwoods helps keep Willow Creek Press off the publishing world's radar. Around here, we're more accustomed to landing walleyes and muskies than big books and authors - events hardly worthy of note in Publisher's Weekly. But, a few years ago we did get noticed with the release of Just Labs, a unique and colorful tribute to Labrador retrievers. The book quickly became a bestseller (now with 400,000 copies in print) and frankly startled us with its success. We were not surprised for long, however, and now an entire line of popular Willow Creek Press titles evokes the myriad joys of dog and cat ownership. Today we are known for high-quality, light-hearted books and the best Just breed calendars in the country.

My husband wanted something different to take with him to work, and this fits the bill. The cows are hilarious enough that you don't really feel sorry for them (which is how I expected to feel), the card stock is solid, and there's plenty of room to write in appointments. I buy Pets Rock calendars for home, and I figure the Cow Yoga calendar is made by the same people. If not, they're very similar in

structure. (I hate flimsy calendars that fold in, and these don't!) You can't go wrong with Cow Yoga. Funny and well-made to last all year without complaints, Scotch Tape, or staples necessary.

I've had the Yoga Dogs calendar before, so I really enjoyed the Yoga Cows this year for a change-up. There's nothing more soothing and thought-provoking than a cow doing yoga moves. I don't know what else to say about a wall calendar..... It works. Hangs well on a nail. Pages don't stick together. Seems to keep track of the day and month. So far the days have been accurate. Those cows have sure been holding those poses for a long time.

I was looking for a calendar for aesthetics more than anything. This really delivered in that. Each month is a different yoga position for a different cow. Also, it kind of has a theme such as harmony, courage, etc. Each also has an inspirational quote on it. It also provides a laugh to anyone new coming into the office. Definitely does what a calendar should and is a motivation.

Love these pictures. This is my third year. Many different types of animals to choose from. Good quality paper for hanging.

My aunt loves it, she has several cow-themed gags in her house, like mugs and wallpaper in the bathroom.

It's cows doing yoga. In a 2017 wall calendar. What more could you possibly want?! Can I give it 100 stars????

This was hilarious, and my farm-obsessed sister loved it.

Love this!
