La Valse In Full Score (Dover Music Scores)

Synopsis

Ravel originally conceived of his "choreographic poem" *La Valse* (The Waltz) as a tribute to Johann Strauss and "a sort of apotheosis of the Viennese waltz." But this is a waltz far removed from the urbane gaiety of old Vienna. A masterpiece of lush and brilliant orchestration, it is a work of considerable emotional depth in which the initial series of elegant waltzes are transformed into what Ravel describes as "a fantastic and fatal whirling" leading to a powerful, turbulent climax. Now musicians, music students, conductors — any music lover — can study *La Valse* in this high-quality edition, reproduced from the authoritative Durand original.

no problems!

THE CONSTRUCTION OF DOVER SCORES--THOUGH ALWAYS GOOD--HAS IMPROVED GREATLY!!!

I just received the score today and I'm already in love with it. What a wonderful piece!The writing is

exquisite and the print is very easy to read. The score itself is durable and, with a little pressing, lies flat on a table or music stand. It's the largest size available (which is what I prefer) and, most importantly to the starving music student, it's cheap! A must for musicians and concert-goers alike.

Although this is a "miniature" score, the print and presentation are clear and legible. Well worth the price, and an excellent addition to anyone's score collection.

i love it so much, Heavy product with good balance good product with high quality. very recommend . great and good experience.
