Provence & The Cote D'Azur

Synopsis

Packed with photographs, illustrations and detailed maps, Eyewitness Travel Guide: Provence and Cote d'Azur explores every facet that makes the region irresistible, from the glamorous resorts of the Riviera and St. Tropez to the hilltop village of Rousillon. The guide provides all the insider tips every visitor needs from cookery courses to outdoor attractions and entertainment, as well as comprehensive listings of the best hotels, villas, resorts, restaurants and nightlife area by area for all budgets. You'll find 3D cutaways and floor-plans of all the major sites plus street-by-street maps of the major cities and towns. Experience the flavors of Provence with advice on local produce and classic dishes and rely on practical information in the fully updated survival section. With up-to-date information on getting around by train, boat, bike and foot plus the sights, beaches, markets, festivals and resorts listed town by town, Eyewitness Travel Guide: Provence and Cote d'Azur is indispensable.

Customer Reviews

Too little real information on places like Golfe Juan and Antibes.. Even St tropez got short shrift. Cannes not much better. It seemed the writers got their information from the tourist office or history books. How about the fact that there are two carousels close to the waterfront in Cannes, which we discovered NY chance. A four year old with us had s great time here. The shopping information was practically nothing. Again, we discovered Petite Bateau shop for our little girl strolling through town. She played games on their computer while we shopped for her fall wardrobe. Need better writer researchers.

Was looking for a thorough tourist guide to Provence in preparing a visit to that part of France, it was very helpful as it took me there precisely before I got there. Highly recommend to someone traveling to that area, is very complete on details.

The Eyewitness guides are attractive, and are beautifully illustrated but do not provide adequate information on hotels and restaurants, making it necessary to carry a separate guide.

Exactly as expected. Great condition for a valued tour book.

An easy read. Informative and detailed enough. Offers a wider variety of places to see and things to do without being overly detailed or only offering the "touristy" places. Peace, Ray Brown

Great guide, very informative, awesome pictures. It shows you rather than just telling you. Glad to have it as a reference.

Well done. The "big" sights and the smaller yet just as important for memories laid out for your selection. Makes you want to be there now.

Love the DK series of travel books!
