GREAT RESOURCE, FAST DELIVERY.

The book and the Cd meet my expectation. They helped me a lot in doing my assignment and quizzes. Although this is not the edition we did use in class, I got everything I need.

Good book and it was delivered fast. It came in great condition and still had the dvd to the book.

Very well organized book!

Book in mint condition.

Great item. Had this one in college and wanted to keep a copy. An excellent quality new textbook at used prices.

I really liked the condition of this book. I was happy with this order. However, i have not received the rest of my order!

I received my textbook so fast! Also, it was in perfect condition even though it was only listed as "very good". I would recommend this seller.
