An Angel's Story

Synopsis

Spiritual beings populate the stories of Scripture. Angels singing. Demons infecting. Heavenly hosts fighting . . . Ignore the armies of God and Satan and you ignore the heart of Scripture. Ever since the snake tempted Eve in Eden, we've known: there is more to this world than meets the eye. In this classic Christmas novella, best-selling author Max Lucado imagines the spiritual conflict that surrounded the coming of Christ. Surely there was much. If Satan could pre-empt Christ in the cradle, there'd be no Christ on the cross. Journey back in time to the very throne of God ... and witness firsthand the glory, the wonder, and the battle that took place on the very first Christmas.

More than 120 million readers have found inspiration and encouragement in the writings of Max Lucado. He lives with his wife, Denalyn, and their mischievous mutt, Andy, in San Antonio, Texas, where he serves the people of Oak Hills Church.

One of my favorite Christmas stories! An interpretative fiction account of Gabriel's first hand encounters on the night of Jesus birth. Great story line and strong theme of God's holiness and tender heart for His people in sending Emmanuel, Himself, to redeem His people.

I first read this book 4 years ago and cannot put into words the impact it had. I've always loved Christmas and reading the Bible story of Jesus' birth from the different gospels, but this gives you

the story from the angels perspective. And though it's fiction, the words and thoughts ring with the truth of the scriptures. This story will bring the Christmas story alive in a new way. Definitely a must read!!!

I've loved this story for years. I had it in hardback when it was Cosmic Christmas. I lost the book and was disappointed when I looked for the Kindle version. Luckily I realized this was the same story with a different title. It's a powerful story and a fresh perspective. I read it aloud to my family at Christmas and get choked up every time.

great story

For those of you who think angels are little children with rosy cheeks and wings, this book is not for you. But if you believe in warrior angels then I highly recommend this book. I read this story to a bunch of high school students and they all loved it.

I loved it and would highly recommend it to anyone. It was a blessing and a true joy to read

As always, no one can tell it like Max Lucado.

Never heard the Christmas story like this before, never really thought of it. Love how it makes you think of how Jesus was to come to earth and what was really going on behind the scenes. Loved the book!
