Rites And Rank

Synopsis

Good and evil, clean and unclean, rich and poor, self and other. The nature and function of such binary oppositions have long intrigued scholars in such fields as philosophy, linguistics, classics, and anthropology. From the opening chapters of Genesis, in which God separates day from night, and Adam and Eve partake of the tree of the knowledge of good and evil, dyadic pairs proliferate throughout the Hebrew Bible. In this groundbreaking work melding critical exegesis and contemporary theory, Saul M. Olyan considers the prevalence of polarities in biblical discourse and expounds their significance for the social and religious institutions of ancient Israel. Extant biblical narrative and legal texts reveal a set of socially constructed and culturally privileged binary oppositions, Olyan argues, which instigate and perpetuate hierarchical social relations in ritual settings such as the sanctuary. Focusing on four binary pairs--holy/common, Israelite/alien, clean/unclean, and whole/blemished--Olyan shows how these privileged oppositions were used to restrict access to cultic spaces, such as the temple or the Passover table. These ritual sites, therefore, became the primary contexts for creating and recreating unequal social relations. Olyan also uncovers a pattern of challenge to the established hierarchies by nonprivileged groups. Converging with contemporary issues of power, marginalization, and privileging, Olyan's painstaking yet lucid study abounds with implications for anthropology, classics, critical theory, and feminist studies.

Book Information

Hardcover: 194 pages

Publisher: Princeton University Press (April 17, 2000)

Language: English

ISBN-10: 0691029482

ISBN-13: 978-0691029481

Product Dimensions: 6.1 x 0.5 x 9.2 inches

Shipping Weight: 1.1 pounds

Average Customer Review: 3.0 out of 5 stars 1 customer review

Customer Reviews

"Olyan's book is thorough, meticulous, judicious, and nuanced; and he succeeds admirably in accomplishing what he sets out to do."--Byron E. Shafer, Fordham University, The Catholic Biblical Quarterly
"This is a significant book that uses anthropological approaches in a clear, non-flashy way to advance our understanding of biblical cult, and especially our conceptions of holiness. . . . Olyan is to be congratulated for writing a very readable, clear and interesting book on a topic that is central to biblical scholarship."--Mark Z. Brettler, Jewish Quarterly Review

"This study is clearly written, well researched, and methodologically up-to-date. [Olyan] has given painstaking attention to textual details, yet has succeeded in presenting the results in a manner that helps the reader to assemble these details into comprehensible notions. He is also sensitive to the complexities of social differentiation in ancient Israel. Olyan has presented us with an excellent scholarly achievement on a par with his previous studies."--Douglas Knight, Vanderbilt University Divinity School.

I like it but the price. How can other people buy at \$12 dollars and I bought it at \$167 dollars?
