"I Know The Plans" Two-tone Bible / Book Cover - Jeremiah 29:11 (Large)

Customer Reviews

This cover is nicely made and looks better in person than the picture portrays. The contrasting colors are rich and a lovely compliment to one another.

My husband loves his bible cover book. protects the bible and has a spot for his pen, very inspirational saying on the front I might add.

Cover was not only beautiful and nicely made but also the sizes that it was said to be were accurate. I have had trouble in the past getting a good fit and was hesitant to order online again. Perfect fit. Not a lot of pockets but the zipper works really good and does not stick. Good sturdy handle. The scripture is beautiful and all around looks great. Delivery was also in a good time as I had ordered it last minute for a gift. Would also use seller again

Bought it for a Christian girl I liked cause her Bible was falling apart and so I duct taped it and then put it in the case and now were in a relationship.... THANKS !So yeah the material and design is very nice for the price. I was more than happy with it. I reccomend the purchase to anyone who is looking for a nice case.

This is a very beautiful Bible cover and I just love it. It fits a Study Bible perfectly. The sleeves are long so it holds the Bible well. I will be enjoying this for a long time to come.

The sizing on this is OFF! It does not fit the size bible I bought to go inside, it's very large. Other than that, it's pretty and I would have been very pleased, but I wrote them, they didn't contact me, so, not happy with their customer service!

My husband asked for a bible cover for a gift. I found this one, and he loves it. It covers his bible and had a little extra room for small things.

This bible cover is made from quality material and is beautiful. I bought my first one 12 years ago and my husband replaced it with the same one.
