Thomas E. Uharriet, author, encoder, philosopher, speaker, and teacher, is a California native, but lived in Utah while encoding The Memoirs of Billy Shears. For other books by Thomas E. Uharriet, please visit www.Uharriet.com.

I purchased this addendum to the Billy's Back story not because I'm going to enter the contest but because I wanted to browse the lyrical content which is clearly a glimpse into William's psyche. Enlightening, thoughtful and ultimately hopeful, you'll enjoy this trip through the emotional roller coaster of the man who sacrificed his identity and life in order to be the man we needed him to be. I recommend it highly.

Great book! Great Price.
