Born Into Flames: A Kurtherian Gambit Series (Reclaiming Honor Book 5)

Synopsis

Out of the shadows and into the fire. When Valerie and Robin head north to take on an army of post-apocalyptic pirates, the deadly duo find themselves on a thrill-ride of air-ship battles and full-on assaults against pirate strongholds. Her friends back in Old Manhattan discover an attempt at mutiny, while Sandra learns that being an expecting mother doesn't mean she has to stop kicking ass and taking names. Everyone must step up their game, or be consumed by the flames of this new world. *Justice Is Calling* is part of The Kurtherian Gambit Universe.

Customer Reviews

Before I get to the review-- this novel should rated R. Which is OK by me but parents may want to be aware. There's lots of R swearing and a fair bit of PG 13 sex. Meanwhile, Um, where's volume SIX? :D Anyway, This volume had some powerful scenes-- the one where Valerie helps the guy get to his wife really is quite memorable. You do have to read all the previous volumes to know what's

going on. It stops at a good spot.

Another great story, keep up the good work can't wait for the next book sounds like the big showdown make it great.

Such a great story or should I say two stories in one. Valerie is continuing her fight with help. TH is using his people to continue the fight. I loved every line in this story. They are getting better and better.

I love everything about this series and Justin you rock! Glad you chose your reader fans over the movie fans. We just can't do without you. ãçÂ•Â¼Ã Â¿Â•Now....cracking the whip! Mush!!!! Can't wait for the next one.

Wow, a bit of romance, I love it. Action, romance, pirates what more can you ask for? I'm loving this team of ex-pirates, weres and of course vampires. Can't wait for the next book. Great job Justin Sloan.

YH is hoping to partner with the group in New York in helping bring down the bad guys. Crazy things are happening in to different areas. Can't wait for more so I can see where it goes!!!

You guys rock. The stories are fabulous and the characters keep evolving and the fights and actions sequences are great. Keep writing and The other Fans and I will keep reading

A remarkable well written saga with action and adventure on every page. I loved it. I couldn't pit it down til I finished it the story told was that gripping.
