## **Customer Reviews**

I like the booklet because it breaks down the categories into cuisine and locations. It give you an idea of pricing and dress code. It recommends whether reservations are needed. We tested out several of the restaurants and the booklet was very accurate. It also give a "Z" rating which means that it is one of Zagat's favorite. Since we just recently moved back to Suffolk County after living in Queens County for 3 years it caught us up with new restaurants in the area. Don't go to a restaurant without checking this booklet out.

If you are expecting the same quality book that Zagat produces for the NYC restaurant guide, lower your expectations. The number of restaurants reviewed is small, and doesn't include some of long island's best spots. After referring to it on several occasions, I became frustrated with the quality of the reviews, and the lack of how many places were reviewed.

Thank you.
