# A Love Beyond: A Scottish Historical Romance (The Reivers Book 2)

## Synopsis

Mary Queen of Scots may reign, but villainous plotters have designs on her throne...An heiress with a secret...As handmaid to Mary Queen of Scots, heiress Libby Preston is in the perfect place to meet an eligible lord and make an advantageous marriage. But Libby is from the Borders of Scotland, where life is hard and lawless men run rampant. And this Borders lass has a terrible secret - a secret that would ruin her reputation and her chances of a suitable match, should it ever come to light...A French doctor from the slums of Paris...French physician Robert Nau has come to Scotland to seek his fortune and work for the ageing ambassador in Edinburgh. He has no intention of falling in love - until he meets Libby Preston, a rich gentlewoman who is too highborn to consider a man from his lowly background. But his heart yearns for her, even if their love is fated never to be.A love beyond reach...When the queen falls mortally ill, Robert is sucked into the dramas and dangers of the Scottish court. Surrounded by ambitious men who seek their own advancement no matter the cost - even if that cost is regicide - he fights to heal the queen of a mystery ailment.Working alongside Robert as the queen's fever worsens and she slips into unconsciousness, Libby finds it hard to deny her growing attraction to the handsome doctor. But she is destined to marry a Scottish lord, not a Frenchman from the slums of Paris. Theirs is a match that can never be, a love beyond reach... :: Set in 16th Century Scotland, A Love Beyond is a stand-alone Scottish historical romance with a HEA. If you like strong heroines, handsome heroes and clean romance, you'll love the second book in the Reivers series. Escape to Mary Queen of Scots' lawless Borderlands today!

## Customer Reviews

This story, *A Love Beyond*, carries on from the first book, *A Love Divided*, and is as delightful as its predecessor! Luckily, I received the proper book and not the one from the pre-order. However, in saying that, if I had received the wrong one then I would be happy to accept the updated version and, perhaps, consider an updated review. I have really enjoyed the series so far as, not only does it give you an insight to the historical aspect of the period, it also contains delightful repartee and also, some of the horrors of this time. I would really recommend these books by Belle McInnes and wait with baited breath for the next book. Well done Belle!

A sweet romance set in a time when the life of a royal was not to be taken for granted. Libby has been appointed as one of Mary Queen of Scots' handmaidens, with the hope that she will attract a husband of standing who will give her the security she so desperately needs. Instead, she finds herself falling for an impoverished French doctor who treats her as an equal. Libby is torn between her desire for safety and the love she feels emanating from Robert Nau. As popular as Queen Mary was with her people, there are those who feel that they would be better able to rule Scotland. Mary experiences a mysterious illness and when her own physician seems helpless to assist her, Libby goes in search of the young French doctor. She also finds herself becoming his assistance, despite her status. However, the Queen's critical condition demands that she and Robert give of their all to ensure her restoration to full health. This sweet love story overlaps with *A Love Divided* and ends on a positive note. I received a copy of this book as a gift and this is my honest and voluntary review.

*A Love Beyond* by Belle McInnes can be read as a standalone but is the second in The Reivers series. Parts of this book coincide with the first book in the series, *A Love Divided*. I really like how Belle writes this series with a history lesson included. I also like that she has placed a glossary and further reading recommendations at the end of the book along with where she found her historical information. She also gives a note on the history and what liberties she took with her writing. This series has become one of favorites. This story is well written with developed characters. The story

line is great and Belle has written in so much other than the romance between Robert and Libby. The story is fast paced and hard to put down. I can't wait for the next book to continue ready about Mary Queen of Scots reign and a new romance. I received an ARC but voluntarily read and gave my honest and fair review. I definitely recommend this series by Belle McInnes.

I was captured by this book from the beginning. Mary Queen of Scots is on the throne, but her life is threatened by others who want her throne. A French doctor works to save her several times. While attending the queen he meets Libby, a hand maid to the Queen. They are attracted to each other, but they both had other dreams for their lives. Can they get together? Are there too many obstacles to overcome?

Just as enthralling as the first book. I love stories of Scotland. And Belle produces the best I have read. Can't wait to see what comes next. These two books go into my keeper section so I can read them again.

Not only were the characters and events interesting, they were accurately based on true events and real people, a couple of whom are ancestors of mine! I look forward to reading future works by Belle McInnes.

Some pages in the book are missing. Several in fact, it's hard to follow the story line. I love Mary, Queen of Scots, but the book was disappointing.
