Customer Reviews

ITMB Publishing (International Travel Maps and Books) of Vancouver, Canada, has published detailed reference and travel maps of countries, regions, and cities around the world since 1985. The company's titles include many that are unique or the first of their kind, and has a wide range of Maps about Africa.

I would give the map five stars, but I didn't because it was printed several years ago. That being said, I was very delighted to find a map of this country so when our daughter is over there we can look places up that she mentions, or we hear about on the news.

It helped me write about my tenure as a missionary in Lesotho.

This map is fabulous, but the real test will be when we visit. It's large and very detailed, even including the dirt tracks and showing the "dangerous sections" we were looking for!
