Peggy And Me

Synopsis

The hilarious and heartwarming account of Miranda and her life changing dog, the inimitable and most lovable Peggy. Hello dear audiobook browser and welcome to Peggy and Me. The story of my life since getting a beautiful Shih-Tzu Bichon Frise cross puppy (I call the breed a Shitty Frise - fun) in the form of Peggy. Some of you may be thinking: 'a book about a dog, how totally brilliant, I need hear no more, I'm sold. In which case we should be best friends and go out to tea together, every day. Others of you may be thinking: 'a book about a dog, how totally mad, she must have officially lost it.' In which case I completely understand. For I once viewed dog owners with much suspicion. The way they obsessively talk about their dogs often using voices for them to reply; the way they have a light covering of dog hair all over their clothes and sofas; and worse, an alarming comfort and ease around excrement. But I now get why people become so mad about their hounds. It wasn't instant love I have to admit. Getting a puppy when I was at a low ebb in my life wasn't easy - there was a lot of challenging, what I call, dog administration (dog-min), and the humiliating first trip to the vet still haunts me. It's been a bumpy old road, but Peggy has been lovingly by my side through some life changing moments and I wouldn't have coped without her. Most surprisingly she has taught me a huge amount - not how to get an old pie packet out of a bin and lick it (I could already do that), but real lessons about life and love and trust and friendship. Put aside any doggy reservations and come walkies with Peggy and me....

Customer Reviews

This book gave me good old belly laughs all the way thru....being a dog owner can relate to the trials

and tribulations that Miranda had with toilet training/obedience commands and finally wanting to share the bed. My dog at 12 yrs old has the attitude of '... Ä- ts my bed and I'll let you share if you give me a treat/cuddles.." in other words he has me wrapped around his wee paws. If you are a dog lover or looking into purchasing a puppy - recommend that you read this book.

If you're a fan of Miranda Hart, you will love this book! It's written in similar style to her first book: Is It Just Me? I could practically hear her voice saying some of the lines. This book makes me want to get a dog!

Lovely book, Outstanding read, I NEVER laughed so hard !! :-D I would definitely recommend everyone to buy this wonderous book !! Written by the glorious M !! Xx

If you are mad about your dog (or other peoples' dogs) this is the book for you. My favourite bit was the incident by the river, I was in tears laughing.

Love love loved it! Miranda Hart is wonderfully funny and her dog Peggy obviously shares the same sense of humour. Such fun!

Amusing - and gives food for thought about life.

Wonderful read

Fun read.
