Really awesome recipes and when I was in Hawaii actually ate some places were recipes are from

I think this book is put together well. I tried the coffee cake but didn't like how it tasted, and it took longer to bake than the book said.

love it , thank you for prompt delivery ;o)

This is a wonderful cookbook. I was born in Hawaii in 1950. I have traveled the world but there really isn't any place as beautiful as Hawaii, and that includes the dishes. Best of the Best from Hawaii is a great way to prepare those dishes. I give it 5 stars.

I'm from Alaska, and I love my Best of the Best Alaska cookbook. After two visits to Maui, I thought it would be fun to get the Hawaii cookbook. It's got a great selection of recipes and interesting facts and tidbits about the 50th state. It also includes information about luaus and a luau menu. It's a fun souvenir, and both the haupia and huli huli chicken I made from this book were super tasty.

I went to Hawaii a few years ago with my family and we all miss the food. I bought this for my mom as a gift and she loves it. It's layed out well and the directions are easy to follow.

I am from Hawaii and like this book very much. Nice to be cooking "local" recipes again. Thank very much.

We lived in the islands for 4 years and just loved the food at all the pot luck affairs while we were there. This book reminds us of those times and has many many great choices that really do taste like they do in Hawaii. Great investment. BUY!
