Grade 2â "5â "The retellers do a credible job of adapting more than 50 Old and New Testament selections in sequential order. Each story is related in language that evokes biblical storytelling, giving the collection the feel of a real Bible with the accessibility of a shared read-aloud. The verse from which each story is derived is given under its title. For example, the collection opens with "The Creation of the World" (Genesis 1â "2). Welply's realistic illustrations are not much different from those in any other children's Bible, but will help readers contextualize the place and time. A trusted name in children's literature, Osborne doesn't disappoint here, though she breaks no new ground.â "Lisa Egly Lehmuller, St. Patrick's Catholic School, Charlotte, NC Copyright Â© Reed

This book has beautiful pictures in it that are large and engaging for the children to look at. The stories are well written.

Nicely done w/ lovely illustrations. Written by a first-rate author my grandson was already familiar with.

I like it a lot and will read it to my class at church

Excellent service and great Bible Stories book. We sent this book to our GrandDaughter for Christmas and she really enjoyed it!

A true classic -- brings back childhood memories -- the easy-to-read narrative and classic illustrations are wonderful. My children have declared it their favorite Bible Story Book.

I loved reading the Magic Treehouse series with my young kids. These bible stories are just as enjoyable. We took the book out of the library originally, but I'm buying a copy we can keep reading for years.
