Gorgeous pictures. Just the right amount of details! Thanks so much!

Great gray scale photos to color.

Nice book

Â Simply beautiful to color ! And check out the inside of this book !

This has got to be my all-time favourite book out of all my Coloring books!! Over 20 images to colour, with a full extra set of same illustrations in case you'd like to colour the page again with different colours, or if you'd like to colour with a friend, this is a great, unique way to accomplish this. Ms Manera never fails to impress me with her coloring book genius. This 8.5 x 11 size pages, single sided, glue bound book, makes this a fantastic gift for someone who likes to colour, or just for

yourself to add to your colouring book collection. The illustrations in this book are somewhat detailed for the more experienced colourist, which I enjoy. I've almost finished it all & only bought it a month or so earlier. Great fun & Very reasonably priced for this quality of coloring book! Thank you Anne Manera.

I had the pleasure of receiving pre released pages to test. The pages are very easy to color, printed on single pages so that there is no bleed through, a great Christmas gift :)

Anne does it again, a beautiful book of winter scenes to color.
