## Customer Reviews

"Both dialogue and a global ethic have been discussed elsewhere, but linking them together and then combining them with the study of religion is this book's genuinely distinctive achievement. This accomplishment makes a major contribution to a singularly important discussion."-Walter Conn,

Professor of Theology and Religious Studies, Villanova University "[T]his study uniquely

suggests...a dialogical approach to the study of religion and suggests a global ethic as a viable

beginning."-William Cenkner, Katharine Drexel Professor of Religion, The Catholic University of

America
