A good collection of Chan-ism's. Fun to read and reminds you of the movie and the characters. Includes 4 of the 8 Mr. Moto movies and 24 stills from Charlie Chan films.

I found out that there are at least two more Charlie Chan movies. Hopefully they will be found and I will have a complete collection.

A trip down memory lane. Fun and quirky Chan at his best. If you liked the series regardless of actor, you'll love leafing through and maybe even remember something important about life you forgot. At the very least it draws out a smile.

Love the book. Great reference guide. I write murder mysteries, so when I need the Charlie Chan Fan Club president to come up with a great line ... I'm set.

One of the best detectives ever. Charlie Chan and Columbo should be required "reading and watching" at every police academy. Love his wisdom and patience.

The very essence of the Chan series in one convenient package! The shortcut to the humor and wit of Chan. Thanks Mr. Berlin for doing all the hard work and pulling all these together!

This book is a welcome addition to any Charlie Chan fan's library. There is finally a well-organized and comprehensive compendium of Charlie Chan's quotations and it is fun to read. In fact, you don't have to be a Chan fan to enjoy it since the aphorisms can often be general and not necessarily specific to the films. And the introductory text helps to explain the films where the sayings originated.
