Reviews "immensely enjoyable" "ForeWord Clarion Reviews "for children who enjoy lingering over pages full of magical creatures and whimsical details [...] told in simple and engaging words and imaginative pictures." "Kirkus Reviews "a fantastic book that has enchanted me" "Customer Review "We are in love with this book! [...] As an artist, I love love LOVE the art in this book, I think its not only beautiful, but perfect for children. My son spent a lot of time just studying every colorful page. We read it twice in the first sitting because he was so happy! He's not yet 1, so getting him to sit still for story time is tough, and this book was such a hit he sat through it with nothing but a big smile and lots of pointing to the stuff he liked on the pages. I highly recommend this book :) Get it get it get it!"" "Customer Review "Written in a very simple way but with a profound message for both adults and kids." "Customer Review "I LOVED it. Lots of repetition to help 'lil ones get used to structure and words! Many different words being used to help them improve their vocabulary (or pick the best word!). Most importantly, it sends a good message about how being unique and different is good. I STRONGLY suggest you check this book out!" "ESLCarissa.blogspot.com "readers will emerge from this book feeling slightly more confident about themselves" "whatever their size." Am I small? is the world's first World Children's Book - available for every country on earth in at least one official language.

Simple and sweet and made for an absolute beginner. Only issue is that the pronunciation of the sounds and accented letters is not explained.

The language is very simple and builds steadily, introducing new words. The content, number of examples is quite limited. I would make a good chapter one of multi chapter book in the same theme. Overall the quality is excellent. One complaint is that in the Kindle version it can be hard to get the windows/scenes/portions of a page to popup and show large text, but this is the implementation on kindle.

Fun children's book, but great to understand some basic Icelandic context.

great art work for a kids book
